2.6.2 Attainment of program outcomes, program specific outcomes and course outcomes are evaluated by the institution

St. Joseph's girls degree college has its own mechanism to evaluate the programme outcomes, program specific outcomes and Course outcomes. It is based on the principle that education must develop not only cognitive capacities, but also the foundation capacities of literacy and higher order critical thinking, problem solving and developing the right attitude.

- The program outcome of the institute consists in moulding and shaping the students and incorporating following graduate attributes which are knowledge, research analysis, skill, attitude, communication skill, ethics, team work and competent to contribute to the welfare of the society.
- These programs are designed by the Board of Studies(BOS) of Chaudhary Charan Singh.
- The Course Outcomes are designed as per the guidelines of respective Statutory Bodies. They are instrumental in achieving the vision, mission and strategic objectives of the university.
- The students and teachers are provided with academic calendar wherein planning is done for the complete curriculum furnishing all the learning objectives and outcomes at different levels.
- A structured orientation program is organized to direct and align the new comers into the campus.
- Before commencement of the new academic year, faculty meetings are conducted where decisions on innovative teaching learning are deliberated upon.
- A student handbook comprising of syllabus, academic calendar, time-table, examination scheme is handed over to the students at the time of the orientation meet.
- At the end of every course and program result analysis is conducted by Institutional IQAC and it reviews the percentage outcome received.
- Analysis of PO's is achieved by results of internal & external evaluation methods. Periodic internal assessments for theory (LAQs, SAQs & MCQs) and practical, submission of assignments/projects and viva-voce all constitute formative and summative assessment.
- Industrial visits are carried out in which equips the learner to become scientifically and professionally oriented with the society.
