2.6.1 Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Program Outcomes (POs): It represents the knowledge, skills and attitudes the students should have at the end of a course completion of their respective engineering program.

Course Outcomes (COs): It gives the resultant knowledge and skills the student acquires at the end of each course. It defines the cognitive processes a course provides.

Program Specific Outcomes (PSOs): These are statements that define outcomes of a program which make students realize the fact that the knowledge and techniques learnt in this course has direct implication for the betterment of society and its sustainability.

Mechanism of Communication: The College adopts Outcome based education and has clearly stated learning outcomes of the Programs and Courses. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students. Graduate attributes are described to the first year students at the commencement of the programme. Few hours are spent by the teachers introducing the subject to the Students. Learning Outcomes of the Programs and Courses are observed and measured periodically.

1. Hard Copy of syllabi and Learning Outcomes are available in the departments for ready reference to the teachers and students

2. The importance of the learning outcomes has been communicated to the teachers in every IQAC meeting and College Committee meeting

3. The students are also made aware of the same through Tutorial meetings

4. Workshops have also been conducted for developing the Programme Educational Objectives and Learning outcomes at college level

5. After attainment of consensus, the same are widely propagated and publicized through various means such as display and/or communication specified here under.
