2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The Institution provides facility and encourages the staff to use all the effective methods in teaching-learning process, for example, interactive method, lecture method, computer-assisted method, project and field work method, experiment method etc. Power point presentations and computer-based teaching is made compulsory in the college.

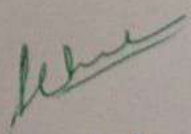

Some Student centric methods are given below:

ICT Enabled Teaching : ICT enabled teaching includes Wi-Fi enabled Smart Class rooms and computer lab. The institution adopts modern pedagogy to enhance teaching-learning process. The institution has the essential equipment to support the faculty members and students.

Experiential /Internship Program : The two Units of NSS volunteers carry out whole years various activities based on experiential learning such as Swachh Bharat campaign, women empowerment, literacy, safety of girl child, water conservation, road safety and protection of environment etc. B. Ed final year students devote their time and talents in the schools as an intern for four months.

Group Learning Method: Group Learning method is very effective method, where students learn to discuss and speak on particular topics. This method used by forming 8-10 students in a group and they learn through group discussion, scout/guide camp, NSS camps, quiz, educational tour and field work.

Project method: The project work stimulates students' interest on the subject and provides student an opportunities of freedom of thoughts and free exchange of different views,. The project work is carried out by students as per the requirement of the syllabus.
